all about you

All about Imagine...

Your children's imagination is precious and needs to be nurtured. Our Imagine programme is specially designed for children under six, introducing them to new challenges and ideas outside a formal environment.

Each Imagine session will grow your child's imagination and creativity, leading to increased confidence, social skills, physical awareness and emotional development. All our tutors are experienced practitioners, trained in delivering dance and drama to children.

Imagine is a not-for-profit programme. All funds raised are re-invested back into the activities.

Imagine Drama: 4½ - 6 years

These inventive workshops take the children on a journey through their imagination, visiting different worlds and meeting many interesting characters along the way. Participants will learn about costume and props and the world of theatre, whilst developing language skills, vocal control and body language.
